Collection Description:It's all in the details. It's an artfully placed row of hammered nail heads or the sparkle of a faceted glass drawer pull. It's a footboard with cedar-lined storage for bed linens or the carved corbels on a dresser, inspired by the embellishments of a neoclassical marble mantelpiece. The Arch. Salvage Collection from A.R.T. marries the timeless beauty of traditional European architectural detailing with thoughtful functionality for today's living.
