

ARCH SALVAGE WREN BUFFET

SKU: 233251-2802

Inspired by the robust neo-classical architecture of the eighteenth century, the doors of the Wren Buffet's two cabinets are overlaid with ornate fretwork, and are framed in lamb's tongue molding and bold corbeled pilasters. Each cabinet has a drawer and two adjustable and reversible shelves with wine cleats on one side. The buffet is constructed of Parawood solids and cathedral elm veneers, and is available in Parch, a light open-grained finish.
