

## ARCHITRAVE CHINA CABINET

**SKU:** 277240-2608

Like the perfect frame complements a beautiful piece of art, the Archtrave China Cabinet is a stunning showcase for your fine china and display pieces. The interior is softly lit with interior touch-operated LED lighting, to gently bathe items placed on the four adjustable glass shelves in just a hint of light. The rustic pine doors are accented with traditional paneling including small medallions and ornate oil rubbed bronze handles, and it is crowned by an angled top that recalls the gracefully sloped roofs of European cities.
