

## ARCHITRAVE RECTANGULAR COCKTAIL TABLE

**SKU:** 277300-2608

The Architrave Rectangular Cocktail Table provides a striking centerpiece to any living area, as well as plenty of surface area for both relaxing and entertaining. Four dramatic columns support the table, representing an exaggerated version of 18th-century neoclassical columns, bringing historical style into the 21st century with contemporary boldness. Wire-brushed pine is hand-glazed in a warm almond-toned finish, allowing the beautiful wood grain a chance to shine, and representing a balance of Old World formality with laidback modern charm.
