

## ARTISTE JORDAN MEDIUM NIGHTSTAND

SKU: 241141-0700060C0B

The Jordan Medium Nightstand offers the perfect blend of traditional and contemporary styling, long referred to as transitional. Demonstrating this notion, its tapered legs speak to a contemporary sensibility, while its covered top molding offers classic Louis Phillipe styling. Featured in a Weathered Oak finish with bail pull hardware in Antique Pewter, Jordan's versatile style can easily transition into urban- or estate-styled spaces, and everything in between. Three drawers offer ample storage in a small footprint.
