

OLD WORLD MARBLE TOP NIGHTSTAND

SKU: 143142-2606

The handsome Old World Marble Top Nightstand has a secret: a storage tray hidden behind the upper frame molding. The tray is accessed by opening the top drawer and then engaging the finger groove machined into the bottom edge of the pull-out tray. The drawer itself, built with traditional dovetail construction, is lined in felt to safely hold delicate valuables; the roomy cabinet behind the curved doors has an adjustable shelf. At 33 inches high the piece has a slightly higher profile than the average nightstand, which makes it a good match for the Old World Collection Estate Bed. The Nightstand is elegantly embellished with carving and inlaid veneers and is finished in a rich and warm pomegranate shade that has both depth and clarity. The curved-edge top is emperor marble.
