

OLD WORLD MASTER CHEST

SKU: 143154-2606

The multi-functional Old World Master Chest provides versatile storage in the bedroom. The chest is actually two separate pieces: the bottom section, with two drawers and two cabinets, has a finished top of plain cherry veneer so that it can be used as a stand-alone piece, and the top four-drawer section has two adjustable shelves behind each door. The upper piece also includes a hidden valet behind the touch latch end panel with a ring roll, four hooks and nine lined tray niches. The left upper cabinet is mounted with a mirror on the inside of the door. Both sections have the elegant traditional detailing that is the signature of the Old World Collection: acanthus leaf carving, a gracefully shaped silhouette, sunburst veneers, and a hand rubbed and burnished pomegranate finish.
