

OLD WORLD QUEEN ESTATE BED

SKU: 143155-2606

From the carved shell crowning the top of the ornate headboard to the sunburst pattern of book matched cherry veneer on the footboard, the Old World Eastern King Estate Bed is a statement-making interpretation of traditional European design. Beautifully integrated into the Old World Collection, the bed's headboard and footboard feature picture frame carving, inlaid cross banding, and carved molding in a neoclassical bead-and-bobbin motif, all signatures of the Old World Collection's dramatic case pieces. The bed's four posts are finished with hand carved newel tops, and side rails are a generous 14-1/2 in. wide, fully dressed with shaped moldings and fancy face veneers. One modern touch: the footboard is purposely near bedding height to make television viewing easy. In addition to the Queen size, the Old World Estate Bed is available in King and California King sizes.
