

OLD WORLD SOFA TABLE

SKU: 143307-2606

The edges of the Old World Sofa Table top are finished with a carved gadroon treatment that echoes the case pieces in the Old World Collection, and the table's dramatically flared C-scrolled legs are carved and shaped to blend with the other tables in the collection. The legs have a practical purpose as well: the offset created by the inward curve of the legs keeps the lower shelf away from foot traffic and maintains the dominant presentation of the beautiful matched cherry veneer top.
