

PALISADE NIGHTSTAND

SKU: 273141-2908

Inspired by England's classic coastal and cozy farmhouse designs, this nightstand has the best of both worlds: a natural accented wood tone reminiscent of a beloved familiar family home and the distressed off-white finish so often seen in Summer cottages. The single drawer features a unique reeded detailing with two rustic, rounded pulls. This nightstand also features one fixed bottom shelf for additional storage.
