

TOVE ETAGERE BY A.R.T. FURNITURE

SKU: 239401-1803

Taking advantage of the vertical space in a room, the five stacked shelves of the Tove Etagere provide plenty of storage while making a bold statement with its Art Deco and Mid-Century styling. The piece is grounded by its simple, yet timeless silhouette that features a Jet black metal frame which supports its wooden shelves which are featured in Linseed, a natural finish that highlights the organic elements of the quartered and cathedral black walnut veneers.
