

VINTAGE SALVAGE PEARCE DINING TABLE

SKU: 231221-2812

The chic detail of industrial X-braces takes the Pearce Dining Table from traditional to contemporary. The ends of the table are supported on two robust scrolled pedestals; the parquet top is pieced with cathedral elm veneers. The table seats up to twelve people with the addition of a 26" leaf. The top of the Pearce Dining Table is finished in Cirrus, a neutral painted finish that has been rubbed and gently aged by hand.
